

MARC Regional Project Director

The Tri-County Council for the Lower Eastern Shore of Maryland, in partnership with the Maryland Department of Labor, Licensing and Regulation, seeks a Project Director for the Mid-Atlantic Regional Collaborative (MARC- the Maryland, Virginia and Washington, D.C region). The Project Director will direct workforce development initiatives and projects focused on sustaining the MARC regional workforce development system to assist with 2005 Base Realignment and Closure (BRAC) activity as well as the future global economy of the region.

Qualified applicants should have a working knowledge of local, regional and national 2005 BRAC initiatives, proven experience and a strong background in regional planning activities and collaborative project management, the ability to convene high level leaders to achieve a shared vision, and excellent communication and organizational skills. Applicants must have a minimum of a Bachelor's Degree in a related field and seven years of related experience and/or training or equivalent combination of education and experience. In addition, this position requires an extensive amount of travel within the tri-jurisdictional region.

This position's salary range is \$100,000 - \$125,000 with an excellent benefits package and an opportunity to create long-term workforce and economic development strategies for the MARC region.

Submit resume, cover letter and salary requirements by Friday, April 25, 2008 to hr@lowershore.org with "MARC Regional Project Director" in the subject line. The full position description can be accessed at www.lowershore.org/marcrpd.pdf.
